

Guidelines for Submitting Comments on Applications for A New Certifying Board Recognition When Recognition Has Been Withdrawn From A Previously Recognized Certifying Board

As part of the National Commission's Application Process for Recognition of a New Dental Specialty Certifying Board When Recognition Has Been Withdrawn From A Previously Recognized Certifying Board, after the Review Committee on Specialty Certifying Board Recognition makes the determination that the application for recognition is complete, as part of the review process, the National Commission will invite public comment on the applicant's compliance with the *Requirements for Recognition of National Certifying Boards for Dental Specialists* for a sixty (60) day period.

All comments must be **objective, relevant and pertain** only to the applicant's compliance to the *Requirements for Recognition of National Certifying Boards for Dental Specialists*. **The National Commission will disregard comments that are not objective, relevant and/or related to the Requirements for Recognition.** Comments that include Protected Health Information (PHI) and/or Personally Identifiable Information (PII), violate the National Commission Policy on Integrity, or contain unprofessional remarks about the applicant certifying board and/or individuals associated with the applicant organization, the National Commission, the American Dental Association, the recognized specialty sponsoring organizations, or the recognized certifying boards will be disregarded. If the National Commission receives form letters with duplicate content signed by different individuals, the letters will be counted as one (1) letter signed by multiple submitters.

In order for a proposed specialty certifying board to be granted specialty recognition by the Board of Commissioners, the applicant organization **must** be fully compliant with all fourteen (14) of the *Requirements for Recognition of National Certifying Boards for Dental Specialists*.

The *Requirements for Recognition of National Certifying Boards for Dental Specialists* are divided into three (3) sections:

- Organization of Boards (4 requirements)
- Operation of Boards (7 requirements)
- Certification Requirements (3 requirements)

If the applicant certifying board has been created due to the withdrawal of recognition of previously recognized certifying board and has not had adequate time to administer its first certification examination but has met all of the major components of the *Requirements for Recognition of National Certifying Boards for Dental Specialists*, the National Commission Board of Commissioners will grant the certifying board the recognition status of Initial Recognition of Certifying Board When Recognition has been Withdrawn from A Previously Recognized Certifying Board. It is the expectation of the National Commission that the newly recognized certifying board recognition will administer an examination within twelve (12) months of being granted initial recognition.

To better assist the communities of interest with interpreting the *Requirements for Recognition of National Certifying Boards for Dental Specialists* and providing comments on applications for recognition, the National Commission has developed the following information that includes the National Commission interpretation of each *Requirement for Recognition* and what the National Commission believes necessitates compliance with each *Requirement for Recognition*.

Introduction to the *Requirements for Recognition of National Certifying Boards for Dental Specialists*

In order to become, and remain, eligible for recognition by the National Commission as a national certifying board for a dental specialty, the specialty must have a recognized sponsoring organization that meets all of the *Requirements for Recognition of Dental Specialties*. A close working relationship must be maintained between the recognized sponsoring organization and the certifying board. A certifying board seeking recognition must be able to provide documented evidence showing that it satisfies all the *Requirements for Recognition of National Certifying Boards for Dental Specialists*.

Requirements for Recognition of National Certifying Boards for Dental Specialists

Certification Requirements- Requirement 1:

An applicant and a recognized certifying board must require, for eligibility for certification as a diplomate, the successful completion of an advanced education program that is two (2) or more academic years in length accredited by the Commission on Dental Accreditation.

Although full-time, continual attendance is a Commission on Dental Accreditation accredited advanced education program is desirable, the period of advanced education need not be continuous, nor completed within successive calendar years. An advanced educational program equivalent to two (2) or more academic years in length, successfully completed on a part-time basis over an extended period of time as a graduated sequence of educational experience not exceeding four (4) calendar years, may be considered acceptable in satisfying this requirement. Short continuation, refresher courses (educational experiences only obtained through continuing education) and teaching experience in a specialty department in a dental education facility will not be accepted in meeting any portion of this requirement.

A certifying board may establish an exception (alternative pathway) to the qualification requirement of completion of an advanced education program that is two (2) or more academic years in length accredited by the Commission on Dental Accreditation for the unique candidate who can demonstrate comparable educational and/or training requirements to the satisfaction of the certifying board.

The applicant provided eligible requirements for certification showing completion of a CODA accredited advanced education program that is two (2) or more academic years in length.

The specialty **does not** allow part-time attendance in a CODA accredited advanced education program.

If the specialty **does** allow part-time attendance, the applicant provided evidence related to the length of the part-time program.

The applicant **does not** have alternate pathways to certification. All diplomates have graduated from a CODA accredited program.

The applicant **does** have alternate pathways to certification and provided evidence related to the comparable educational and/or training requirements of these alternate pathways to certification for diplomates who have not graduated from a CODA accredited advanced education program.

<p>Certification Requirements-Requirement 2:</p> <p>An applicant and a recognized certifying board must establish its minimum requirements for years of practice in the area for which certificates are granted. The years of advanced education in the discipline specific specialty may be accepted toward fulfillment of this requirement.</p>	<p>The applicant provided evidence related to the establishment of minimum requirements for certification.</p>
<p>Certification Requirements-Requirement 3:</p> <p>An applicant and a recognized certifying board in cooperation with their recognized specialty sponsoring organization, must prepare and publicize joint recommendations on the Commission on Dental accreditation educational standards for the advanced education programs for that specialty.</p>	<p>The applicant provided evidence that at a minimum an annual joint meeting has occurred to ensure the certifying board and sponsoring organization are maintaining a close working relationship.</p> <p>When the educational standards for the CODA accredited advanced education programs are being reviewed, the applicant has provided evidence of joint recommendations from the sponsoring organization and certifying board.</p>
